

KNIGHTSBRIDGE HOTEL (Harrods, London)

HOTEL HIGHLIGHTS

The Knightsbridge Hotel is part of Firmdale's collection of Townhouse Hotels and one of their most popular. The Knightsbridge is located just one block from Harrods, Harvey Nichols and all the fabulous shops on Sloane Street. Beaufort Gardens is a beautiful, quiet, tree-lined street just off the Brompton Road. There are 44 light, bright bedrooms and suites at affordable prices, and all rooms have been individually decorated by Kit Kemp, with solid granite bathrooms. Some rooms connect and this makes it a perfect hotel for families. Downstairs there are comfortable public rooms with French sandstone fireplaces where the hotel offers an honor bar, afternoon tea and breakfast. "Affordable chic in the heart of Knightsbridge" is how magazines have described this hotel.
